LETTER OF RECOMMENDATION

As an Associate Professor at Vellore Institute of Technology (VIT), I am delighted to highly recommend Mr. Neelanjan Manna for admission to the Master in Science program at your esteemed University. Throughout our association, particularly during his 9th-semester project on RFM analysis, I have had the privilege of closely observing his intellectual growth and problem-solving capabilities.

Mr. Manna is an exceptionally diligent and conscientious individual, consistently exhibiting a high level of commitment to academic pursuits. Beyond his academic achievements, what sets him apart is his outstanding problem-solving skills. I have witnessed him tackle complex challenges with a methodical and innovative approach, showcasing his ability to analyze problems critically and derive effective solutions.

Moreover, Mr. Manna has expressed a profound interest and passion for cryptography and cybersecurity. Our discussions, coupled with his active engagement in the subject of Object-Oriented Analysis and Design during the 3rd semester, reflect his dedication to staying abreast of emerging technologies and acquiring relevant skills in these crucial fields.

In addition to his academic endeavors, Mr. Manna has demonstrated his commitment to extracurricular activities. Although the mention of RIVIERA has been omitted, it's important to note that he actively contributes to the academic environment beyond the classroom.

Considering his exceptional academic record, problem-solving prowess, and enthusiasm for cryptography and cybersecurity, I have the utmost personal and professional respect for Mr. Manna. I am confident that he will not only bring a unique energy to your academic community but also significantly contribute to the advancement of your class, alumni group, and the University as a whole. Please do not hesitate to contact me if you require further information or have any queries.

Prof. Thippa Reddy
G Associate Professor
School of Information Technology and Engineering,
VIT Institute of Technology, Vellore.
